Many thanks to all the riders for entering and riding the event. The weather held off, reduced to only the occasional splutter of rain and very little wind giving quite fast conditions. We hope you enjoyed it and didn't miss the usual early start. The prize giving at the end helped add to the social element, and just needs a little extra organising to confirm the results as quickly as possible.

I would also like to extend my thanks to the MDCC team - Peter for organising the marshals; Malcolm for the hand-written result board; the riders who brought times back to the HQ and Paul for writing up the results as they arrived. And, of course, all the marshals and the catering team for providing much needed cups of tea.

A couple of items were left at the HQ - a ladies' blue Helly Hanson top and a white Altura rain top. Please contact me so I can return them.

Hope to see you all next year, Andrew.
